25X1 17. Meeting with []

JJH met with [] this afternoon. The following items were discussed:

a. KH-1112-1&2 Situation.

25X1 JJH gave [] the latest info on the KH-1112 problems.

b. NVN POW Camp Raid.

25X1 [] volunteered that he was at Headquarters today discussing
25X1 the aftermath of the NVN POW Camp Raid. JJH told [] that we received
25X1 a call from [] asking for the names of the people in the NPIC
25X1 model section who prepared the model of the camp. Presumably, a commendation
memo is coming over.

[]
d. EOI Paper.25X1 JJH told [] about the paper being prepared in response to the
25X1 queries from the [] Panel.
25X1e. [] Visit.

25X1 JJH told [] of the visit of [] to the Center today. 25X1

f. Building Environment.25X1 JJH told [] about the information received from Reber today.
Of the DD/S sympathy for improving the building environment for better working
conditions. IAS has nominated two people to be on the [] Fine Arts
Committee. 25X1g. Middle East Study.25X1 The visit of [] to the building today to do a review of
25X1 the Middle East crisis reporting was discussed. There was substantial agreement
on [] qualifications.h. LDX.

25X1 JJH told [] that LDX was getting installed in the building and

Wednesday
25 November 1970

was nearly operational. This will, of course, be made available for IAS's use.

i. NPIC Telephone Directory.

25X1 [] asked about the publication of a new NPIC Telephone Directory pointing out the difficulty in reaching NPIC'ers on the new Gray Phone system.

j. Training Course on China.

25X1 [] stated that IAS has worked out a specialized training course on China with OTR. He wanted to be sure it was available to NPIC, should we have any requirements they should be passed on to [].

k. Egyptian GOB Study.

25X1 [] complained mildly about the coordination not achieved on
25X1 a joint Egyptian Ground Order of Battle Study. JJH intends to look at the study when its received in the O/DIR and query IEG about any differences in opinion between IAS and IEG.
